A five letter word, that has impacted the lives of millions. From Abraham, to Moses, to Joshua, to Benson Idahosa, to you and me. In taking simple steps of obedience they changed their world. And now the challenge is up to us to do likewise. By faith.

Think about it for a moment, faith the size of a grain of mustard seed, small, but if nourished will grow into an awesome tree. Just like his faith, this book showed me how by taking God at His Word, in obedience by faith I can change my world.

I re-read this book while at a spiritual crossroad of faith, it challenged my doubts and fears to believe afresh, that by faith all things are possible to him who believes. It was time to act upon my faith. It reminded me, that indeed 'Faith' comes by hearing and hearing by the Word of God. (Romans 10:17) It was time to nourish my faith, by the Word of God. I held on to every morsel of faith, that this book talked about. I re-discovered what real faith is ... complete trust, confidence, or reliance upon something or someone. In short, faith is believing. It was time to re-direct my trust, confidence and reliance from people to the Word of God. I re-discovered that He (the Lord Jesus Christ) is trustworthy, I rediscovered that without 'Faith', (complete trust, confidence and reliance) upon God, it is impossible to please him. What a lesson to re-learn... I re-discovered, that we all are given a measure of faith (the size of a mustard seed) and it must be nourished and watered, by Bible study, prayer & fellowship.

To all who may have lost confidence in themselves, things (money, stockmarket, job etc.) & people, this book will help you to re-discover who should really be trusted. I re-discovered that, indeed God, is looking for those who will change their world...by faith.

Why not start today, by reading the Bible and this awesome book. It will challenge your faith... and you will indeed change your world by faith.
