CHAPTER ONE

When the WICKED is on the RAMPAGE

Everywhere there are human beings, the devil is also there with his agents. They are called dark contractors, satanic intermediaries and demonic go-betweens that stand in the gap for him.

Men consult evil contractors for several reasons. They go to them to secure power to enable them to win battles, to exercise evil powers over their neighbours, to bring evil upon their enemies or to have the upper hand in a polygamous set-up.

A contractor is somebody who enters into an agreement to carry out a definite work for a reward. The devil often awards contracts to his agents to destroy and the major things they destroy is people's destinies. He gives them contract to demote, defile, pollute, distract and destroy. Whether you like it or not and whether you believe it or not, there are some individuals who have entered a legal agreement with the devil to destroy and they are eager to execute the contract. They are always excited to do evil works for the enemy. The devil rewards them with promotions in his kingdom when they perform. This is why the agents are highly committed to the work of their master.

Any power that has vowed to see you suffer, shall be terminated, in the name of Jesus. Dark powers must be stopped and crushed before they execute their contracts. Sometimes we start attacking too late: after they have succeeded. The painful truth is that, majority of those who are buried in the cemetery did not end up there at the time they did. They had died long ago and did not know it. Many also did not want to die at the time they died.

HIRED TO AFFLICT

Any dark contractor hired for your sake, who has accepted to harass your life, their agenda shall be terminated, in Jesus' name. The word "Balaam" means devourer. He was supposed to carry out an evil agenda. His task was to curse the children of Israel and dry them up. But when he was asked to do the evil work, God took it seriously and took steps to arrest him. If his words would not have carried power, God would not have bothered. But God knew that once he spoke, there would be trouble. ***Every power, hired to curse you shall fall, in the name of Jesus.***

Judas too, was a contractor of sort. He took money to betray Jesus and we know the result.

"Elymas the Sorcerer (for so is his name by interpretation) withstood them, seeking to turn away the deputy from the faith."

THE MODERN TRAGEDY

It is a present-day tragedy that if you go to the cemetery and make enquires of the ages of corpses being brought there for burial, by the time they bring in ten people you will hardly find two or three old people among them. Most victims are people cut off at their prime.

Sometime ago, I was driving past a cemetery in Lagos, when I spotted an old pastor friend of mine at the gate. I said, "What are you doing here?" They came to bury somebody and I said, "How old?" He said, "Twenty six." "What killed her?" He said, "Typhoid fever." The enemy is an expert at cutting people off at their prime. Once he reads your destiny and sees that it is a colourful one, he immediately employs contractors against you, and if you do not know how to fight, they will deal with you and finish you.

They have dealt with many people and they are still dealing with many now. As you study the Scriptures, you find many of these contractors in the word of God. Delilah was a contractor. The lords of the Philistines hired her to catch Samson.

Judges 16:5-6

And the lords of the Philistines came up unto her, and said unto her, Entice him and see where in his great strength lieth, and by what means we may prevail against him, that we may bind him to afflict him: and we will give thee everyone of us eleven hundred pieces of silver". And

Delilah said to Samson, tell me, I pray thee, wherein thy great strength lieth, and wherewith thou mightest be bound to afflict thee.

This is a strange story. It is an open attack. If as a Pastor, your wife comes home and says, "Tell me how I can bind you and afflict you," you will be expected to say; "Send this woman for deliverance." But here, Delilah told Samson, 'please tell me your secret, we want to bind you, we want to afflict you' and Samson fell into the trap of the dark contractors!

Numbers 22: 1-6

And the children of Israel set forward, and pitched in the plains of Moab on this side Jordan by Jericho. And Balak the son of Zippor saw all that Israel had done to the Amorites. And Moab was sore afraid of the people, because they were many, and Moab was distressed because of the children of Israel. And Moab said unto the elders Of Midian. Now shall this company lick up that are round about us, as the ox licketh up the grass of the field. And Balak the son of Zippor was king of the Moabites at that time. He sent messengers therefore unto Balaam the son of Beor to Pethor, which is by the river of the land of the children of his people, to call him, saying; behold, there is a people come out from Egypt; behold, they cover the face of the earth, and they abide over against, me; come now therefore. I pray tee, curse me this people; for they are too mighty for me; peradventure I shall prevail, that we may smite them, and that I may drive them out of the land; for I wot that he whom thou blessest is blessed, and he whom thou cursest is cursed.

HIRED TO CURSE

Here, we see a classic example of a Satanic contractor. Balaam was hired to curse the children of Israel. His own curses were very potent. In those days, the enemy saw that he was about to be defeated. So, he had to look for a dark contractor to use. They hired Balaam. He feared the enemy and said, "These people will lick us up like water. Let us deal with them now." They could not cope by their power, so they hired a dark contractor to curse their perceived enemy. ***Every Balaam hired to curse you, shall fall down and die in Jesus name.***

Ex 1: 15-20

And the king of Egypt spake to the Hebrew midwives, of which the name of the one was Shiprah, and the name of the other Puah: And he said, When ye do the office of a midwife to the Hebrew women, and see them upon the stools; if it be a son, then ye shall kill him: but if it be a daughter, then she shall live. But the midwives feared God, and did not as the king of Egypt commanded them, but saved the men children alive. And the king of Egypt called for the midwives, and said unto them, Why have ye done this thing, and have saved the men children alive? And the midwives said unto Pharaoh, Because the Hebrew women are not as the Egyptian women; for they are lively, and are delivered ere the midwives come in unto them. Therefore God dealt well with the midwives: and the people multiplied, and waxed very mighty.

Here, Pharaoh looked For contractors but failed. ***I decree that, any power, seeking evil contractors against you shall be destroyed, in Jesus' name.***

The major destroyer of destiny is devil. But he is limited in power of operation. He is not omnipotent. He is not omnipresent either. The Bible says; "***Be sober, be vigilant because your adversary the devil, like a roaring lion walketh about seeking whom he may devour.***" The devil has to walk about to see whom he may devour. He is not everywhere at the same time. He has a network of accredited agents who work for him.

Acts 13:6-12

And when they had gone through the isle unto Paphos, they found a certain sorcerer, a false prophet, a Jew, whose name was Bar-jesus: Which was with the deputy of the country, Sergius Paulus, a prudent man; who called for Barnabas and Saul, and desired to hear the word of God. But Elymas the sorcerer (for so is his name by interpretation) withstood them, seeking to turn away the deputy from the faith. Then Saul, (who also is called Paul,) filled with the Holy Ghost, set his eyes on him, And said, O full of all subtilty and all mischief, thou child of the devil, thou enemy of all righteousness, wilt thou not cease to pervert the right ways of the Lord? And now, behold, the hand of the Lord is upon thee, and thou shalt be blind, not seeing the sun for a season. And immediately there fell on him a mist and a darkness; and he went about seeking some to lead him by the hand. Then the deputy, when he saw what was done, believed, being astonished at the doctrine of the Lord.

ACADEMIC KNOWLEDGE

These are days when real men and real women are needed. They are days when kindergarten Christianity will find it very difficult to survive. They are days when the enemy has changed his gear to the toughest. They are days when members of the dark world are doing more and more research to destroy people. These are days when men and women are going deeper and deeper into the occult in order to attack one another. These are days of massive recruitment of young people into all kinds of terrible associations. These are days you never can be too sure of the god whom your colleagues in the office are serving.

These are days when academic knowledge cannot prevent people from going to the camp of the devil for help. These are days when highly educated people are also highly fetish and diabolical. These are days when the rate at which people seek money and seek to capture other people's destiny is so terrible that they call do anything. These are days when the enemy is operating the largest scanning machine necessary to detect who to steal from.

These are days when men would put fetish charms under their clothes and also have weapons in their hands. These are days when men are writing letters to strange places to collect magical powers. These are days when a man and a woman can end up getting married to their direct enemies. These are days when someone looks at a promotion list and uses occultic power to remove another person's name from it.

WEIRD EXPERIENCES

I have seen many things as a minister. I have seen people vomiting awful things. I have seen people vomiting snails, snakes, calabashes, pins, pots, cowries, rings, lizards, hair, live birds and small coffins. Those people had their powers inside their bowels. When they speak against your life and you do not know what to do, you might carry a heavy load.

In Paris sometime ago, we went to pray with a woman. Immediately we entered the house, it was as if a dark shadow fell on all of us. We tried to pray but it was as if heaven was brass. We could not pray. I said, "Madam, we are not going to pray, there are satanic materials in this house. Bring them out." She answered, "If I bring them out what weapons will I use to defend myself?" I said, "Bring them out." She brought out the material and I asked, "What do you do with this? She said: "When I want to destroy somebody, I will bite it and go and look for the

person's trouble. Anything the person says to me would happen to him." She was loaded with satanic powers.

There are people going about with their own satanic powers inside their bowels. The enemy employs them to do evil things. If you do not stop them, they will pollute and defile you. They will divert your destiny or cause you to be demoted. If they speak evil things into your life and you are not careful, it may begin to take root.

MARITAL CONTRACTORS

Dark contractors are sent to destroy marriages and pollute people's blood. Their major agenda is to waste people. When they get to a place, they exalt the inferior and pull down the superior. Some of them take strange postures when they sleep. Some sleep with their eyes wide open and some sleep with legs on the wall. Some sleep in such a way that if you change their position they are in trouble. When we warn people about all these, they do not generally listen.

Every power placing witchcraft legs on the wall against your life, shall be destroyed, in Jesus's name.

A man who had just been promoted was brought for deliverance. A dark contractor was hired against him. The evil contractor instructed them to put something under his seat at work and bring the thing back. He tied it to a cotton thread and Put it in a river. Whenever the cotton began to swell because of water level the man would begin to swell like a balloon. Whenever the water recedes from the cotton wool the man would begin to slim down, after sometime he would balloon again. Something was put in the river to represent him and it was used to manipulate and torment his life. Dark contractors are wicked!

KINDERGARTEN CHRISTIANITY

Kindergarten Christianity will not survive and ice-cream prayers will not help. Many of us prayed ice-cream prayers before and it did not get us anywhere. All those prayers you prayed in the past and the enemy was just laughing at you must be discarded. Although you were saying amen at the end, it had no effect all the enemy.

The problem with many Christians is that they do not know who the enemy is. They don't know how to identify him or where to find him. Sometimes, they discover him but they do not know how to respond to him. They do not know his

strategies or how he would attack. Once under attack, they are at a loss as regards how to fight back.

The purpose of this message is to warn and caution you to the epidemic of dark contractors. These dark contractors are highly loaded with satanic power.

VIOLENT PRAYERS

Pray that anything representing you in the river should catch fire. You can see the terribleness and wickedness of these powers. These contractors control and direct demons. When Paul came across a contractor controlling and directing demons, he did not pat him on the back and try to convert him. No, he did not begin to sing praise worship. He did not turn the other cheek. He quickly identified the enemy and dealt with him squarely. He exercised the power and authority delegated to him by the Lord Jesus Christ. He said, "*Thou shall be blind.*" Thank God he added for '*a season,*' if not, the man would have been blind forever.

Jesus said, "***love your enemies and do good to those who despitefully use you.***" Sometimes we read our bibles upside down. The kind of enemy you can love is the enemy that does not know what he is doing. Jesus looked at some people when He was on the cross and said, "***Father, forgive them for they know not what they do.***" But when an enemy knows what he is doing and has actively taken steps to destroy you, you should use your most potent weapon against him before he makes an effort to destroy you. But for the power of being born again, you would have died cheap.

STOP THEM!

You have to use your most potent weapons to Stop them as Paul commanded blindness on the man. Paul was the same Apostle who wrote,

Though I speak with the tongues of men and of angels, and have not charity, I am become as sounding brass, or a tinkling cymbal. And though I have the gift of prophecy, and understand all mysteries, and all knowledge; and though I have all faith, so that I could remove mountains, and have not charity, I am nothing. And though I bestow all my goods to feed the poor, and though I give my body to be burned, and have not charity, it profiteth me nothing. -1 Corinth. 13: 1-3.

The same person who wrote this wonderful love chapter was the person who

commanded blindness on somebody. The enemy knew what he was doing. He was deliberately disturbing the work of God.

SPIT FIRE!

Today, we have to spit more fire than in the days of Paul. There is intensive satanic revival surrounding us. There are many people who have been completely destroyed by satanic contractors. Some are under contract to destroy children, marriages and see that some people do not last. It is a tragedy, if you just fold your hands and say, "Someday, God will deliver me." The Bible says, "Shake thyself and set thyself free, thou daughter of Zion. "There are evil contractors around us, who are carrying out satanic evil agenda, we have to shake them off.

Many years back, I spoke to one executive madam to give her life to Christ. She did not listen. She enjoyed dancing in her traditional church on Sundays. I told her that things were not that simple. She did not listen until she was dealt with. The next time I saw her was when I went to preach to somebody at the Lagos University Teaching Hospital (LUTH) in Lagos. I saw somebody at a short distance saying, "Doctor, here I am," in a low voice. When I went closer, I discovered that it was her. She had become a ghost of her normal self. "Madam what are you doing here?" I asked her. The dark contractors have dealt with her.

HOW DO YOU DEAL WITH THESE POWERS?

- 1. Bind all their pronouncements so that they will not work against your life:** Those who have organized themselves to disorganize you shall be disorganized in Jesus' name.
- 2. Cut them off from their source of power:** This strategy never fails. Whatever and whoever the contractors are, there is a place they draw their powers from. They may be getting their power from the sun, the moon, the stars, the wind or from water. You have to command their wickedness to be shaken off from where it is planted. Once you cut them off, they have no power to afflict your life anymore.

Elijah came across king Ahab who said, "Have you found me all my enemy; you troubler of Israel?" Elijah replied him. "I have not troubled Israel but you and your father's house." This was an aggressive answer! This is not the time

to pray some gentle prayers saying to your problem "Well, you just have to go. If you do not want to go, you can stay." Jesus said, "Get out of him and enter no more." This means 'go back to where you are coming from.' You need to do that aggressively.

I remember the testimony of one woman who was at home eating pounded yam with vegetable soup. All of a sudden, she saw a big frog on the pounded yam and quickly slammed the plate of soup on the pounded yam and pressed it hard so that the frog would be smashed. Ordinarily, that action could have killed the frog, but when she opened the food, there was no frog there. Instead, the hand she used to press the frog and one of her legs got paralysed. However, she was brought to the church where she prayed a "back-to-the-sender-prayer" and she was healed. Immediately she got home, her elder sister was her first visitor. She said, "Ha, ha, are you all right now? What did you use?" What happened was that, the frog she pressed down on the pounded yam actually entered her body. It now went back to her sister. That was why she came to check what had happened. The sister said tersely. "You are the owner of your frog. You have taken it back." The woman in turn became paralysed immediately.

If some people are busy flinging arrows at children of God, the only way to make them stop is to let them have a taste of what they are doing.

3. Return the senders' weapons back to them: The church is at war. Curses and weapons are in the armoury of the enemy. Children of God should not just sit down, lying low. Jesus turned and said to Peter. "Get thee behind me satan," because He knew it was not Peter speaking. When Goliath cursed David in the name of his god, David did not begin praise worship there and "I love you Goliath with the love of the Lord." No, he reacted straight away. He said "I come against you in the name of the God of Isreal whom you have defied. Today, I will kill you, cut off your head and feed it to the birds of the air." Those were not very kind words at all.

4. Bring the judgment of God against them: The Bible has pronounced severe judgment against those troubling God's people.

If you have not yet surrendered your life to Jesus, do so now by saying this prayer ***"Father, in the name of Jesus, I come before you. Lord Jesus, come***

into my Life and take control of my Life, in Jesus' name, Amen. "

"From the days of John the Baptist until now, the kingdom of heaven suffereth violence and the violent taketh it by force." Many of the things we regard as ordinary or mere coincidences are not. They have been cleverly planned in the spirit realm.

Satanic contractors who have swallowed a snail can speak sluggishness into your business. They can speak destruction and stagnancy into what you are doing. It is therefore a tragedy, if the contractors are after you but you do not even know. You must quit the pathway of ignorance. You must confront dark contractors and revoke their contract papers today.

CHAPTER TWO

The Power **BEHIND** *your* **PROBLEMS**

Every geographical area has its own evil forces and evil weapons; every country has its own satanic technology. Some of the prayer points we pray can help in some places while they would be completely useless in other places because what you may be addressing is not there. You do not find men in this environment taking injections to enable them to develop breasts like women. In places where this obtains, you will see two men in the street cuddling each other, and one of them has breasts while the other does not. The demon behind such practices is not found here in Nigeria.

Daniel 10:13,20

But the prince of the kingdom of Persia withstood me one and twenty days: but, lo, Michael, one of the chief princes, came to help me; and I remained there with the kings of Persia. Then said he, Knowest Thou wherefore I come unto thee? and now will I return to fight with the prince of Persia: and when I am gone forth, lo, the prince of Grecia shall come.

Here was all angel bringing back the response to Daniel's prayer and a principality controlling the area was withstanding him. But thank God for Daniel mat he did not stop praying.

Mark 5:9-10

And he asked him, What is thy name? And he answered, saying, my name is Legion: for we are many. And he besought him much that he would not send them away out of the country.

The demons did not want to leave that country: they wanted to continue to destroy the lives of the people living there. Every area has its own demons and evil forces controlling it. So satanic weapons vary from one place to another and whatever weapons that are available for the devil to use in an environment will depend on seven things.

- 1. The culture of the people:** Wicked spirits influence people according to their cultures. This is why all cultures must be tested and judged by Scripture and demonic ones must be rejected.
- 2. The local and imported religion predominant in a place.** Local and imported religion refer, for example, to a tribe or nation worshiping an idol that looks like a woman and suddenly they introduce another religion from abroad and replace the name of the female idol. Changing the name of a female idol to the biblical name of Mary or Esther is another example.
- 3. How the nation or tribe began:** Did it begin with war or unity? Is it a single race or has it many races? Were the people slaves before or free people?
- 4. The influence of those who developed the land originally.**
- 5. Whether the area has ever experienced warfare:** War makes people to do a lot of satanic research to have more wicked weapons to fight with. These satanic weapons will remain after the war. Did your tribe or nation come to where they are now through wars? If that is the case, you can be sure there would be wicked satanic weapons still all the ground. In the 1930s, a man of God held a crusade somewhere and when he said people should bring their idols, one man brought something like a small doll which had nails on it. He told the man of God that each nail on the doll represented one life and there were more than 45 nails on the doll. So, he had killed many people in that small town with that kind of weapon. He called a person's name, put a nail on the idol and the person cried out and that was all.
- 6. The level of poverty:** The evil powers in poor areas are generally more wicked than the ones in prosperous areas. So, if you come from a village or a town where the indigenes do not prosper or where those who prosper are those who run away to other places, then you need to pray seriously.
- 7. The number or ethnic groups that make up a country:** When the groups are many, the devil would have a variety of weapons to work with. For

example, in Nigeria, if he tries a Yoruba satanic weapon on somebody and it does not work, he would try Tiv or Edo demons. So the more the tribes, the more the variety of satanic weapons and satanic intelligence. He may even decide to export the case file of a person to another country if he finds that the person is very strong. I thank God for a certain brother to whom a demon idol was sent on his way to the bathroom. He saw the idol walking towards him physically, not in the dream. He just cleared it from the ground with his leg, in Jesus' name. And it somersaulted and ran back to its sender.

The only power in the universe that can successfully deal with demonic powers is the power of the Lord Jesus Christ, for it is written. ***"At the name of Jesus, every knee should bow, of things in heaven, of things on earth, and of things underneath the earth."*** It is therefore very dangerous and risky for demons to be fighting you and you are seeking the help of demons to fight back. Darkness cannot fight darkness.

In this chapter. God is giving you advanced instructions for warfare:

Psalm 74:20

Have respect unto the covenant; for the dark places of the earth are full of the habitations of cruelty.

It talks about the dark places of the earth and the wickedness therein.

Psalm 91: 13

Thou shalt tread upon the lion and the adder: the young lion and the dragon shalt thou trample under feet.

The lion and the adder, the young lion and the dragon are powers of darkness in all their ramifications.

Psalm 91:5 also says:

Thou shalt not be afraid for the terror by night: nor for the arrow that flieth by day, nor for the pestilence that walketh in darkness, nor for the destruction that wasteth at noon day.

All these are the devices of the enemy. 2 Corinthians 2: 11 also says.

Lest Satan should get an advantage of us: for we are not ignorant of his devices.

It says that we should not be ignorant of satanic devices. If the Bible says we should not be ignorant, it means that some people are already ignorant. They do not know what to do.

It can be a very terrible thing, when weapons are being fashioned against you and you do not know their nature, let alone being able to draw a programme of reaction.

Job 5:12

He disappointeth the devices of the crafty; so that their hands cannot perform their enterprise.

One man went to his hometown and was introduced to members of his extended family. To his amazement, the man who introduced him made very bad remarks concerning him. He told the people that he was jobless, useless, wayward, worthless and a nonentity. He called the man who had just introduced him and asked why he introduced him like that and the man told him that if he did not say so, he would be finished. Then he understood and allowed him to continue with his strange introduction.

DEMONIC ABERRATIONS

Like every other environment, ours has its own wickedness. It is a place where you cannot afford to be neutral, If you are going to be on the side of God, make sure that you have every weapon that the Bible describes and all the benefits that God says you can have. Do not slay in the camp of those who say that the time of speaking in tongues and miracles is gone. Do not walk with those who do not believe in supernatural power. If you see anybody saying that, know that household enemies have finished his account. You must pray for God to open his eyes.

I once came across a lady who had two sex organs. She said that somebody told her the wrong one could be removed by surgery, but anytime she went to the hospital to consult the doctors, they would not find the wrong one. It would disappear. Demonic people have something which when they place on a seal and a woman sits on it, instead of the normal menstruation, the woman would be menstruating maggots. I also know a man who ran mad all intervals. And when that happened and he beat his head with his hands, cockroaches would be coming out.

Sometime ago too, there was a man who was normal as long as there was no food in his presence. But immediately you placed food before him, he would begin to tear his hair off and would not eat the food even if he was hungry. They kept moving him around until they brought him to one of our meetings. After prayer, he was given food and he ate very well, to the amazement of his wife.

NO FREE GIFT

The enemies of our soul have no free gift for anybody. Anything you have ever taken from the enemy, he will take it back from you with interest. If you say, "Well, I will be pressing sand," do not worry; one day, you will come across somebody who can press the sand in the moon and you will be in trouble. If you say it is candle you want to light, do not worry; one day, you will find somebody who can demonically introduce a candle into a bottle and light it there, then you will be finished. If you say, it is charms you want to make; one day, you will find somebody who can make his own in the second heaven and you will be finished. But it is not so with the power in the blood of Jesus. Every knee will bow to the name of Jesus.

In science, there is a big difference between practical and theory. We have science theory and we have science practical and what can be called the applied practical. You can understand the theory of a matter but it will be completely useless when it comes to the practical. You can even understand the theory and the practical but when it comes to its application for your benefit, you cannot understand it. Many believers are like that.

When you ask them, "What is salvation, sanctification, or redemption?" They will define and explain them very well. When you say, "Okay, have you ever experienced any of these things?" They say: "O yes, since I got born again, things I used to do, I do them no more. Since I got baptised in the Holy Spirit, I can pray better, I read the word of God very well. I have had hunger for God in my soul." But when you say, "If somebody is still running after you in your dream what are you doing about that?" They would keep quiet because they cannot apply the theory. So, they are theory and practical students but lack the knowledge of application.

For example, you can carry out a research on oranges without ever seeing one in your life. You can read all the books available about oranges, that is theory. You may go into practical and start to plant the orange, but when it starts to grow, you

may not be able to apply all that you have read about it. You may not know that it can be eaten or that some people burn its peel to drive away mosquitoes. So, we have three groups of students in the spiritual war class:

1. Those who know all the theory. Mention Bible quotations, they can tell you where you can find them.
2. Those who understand the theory and the practical but cannot apply it.
3. Those who understand the theory, know the practical and can apply it.

How can somebody apply the blood of Jesus? You can do so by testifying personally what God says the blood of Jesus can do.

CHAPTER THREE

The **HABITATION** *of* **CRUELTY**

A couple received a lot of gifts from people at their wedding. After their honeymoon, they came home and started unwrapping the gifts. Then in one carton they saw two cowry shells. These were gifts that a wicked person came and presented to them.

Christians should be very careful. They should not be ignorant of the devices of these powers. You should be alert and careful about things and people you receive gifts from. Some people take food anyhow and eat without praying.

There are spirit-spies that are programmed into domestic animals, so that they can gather, day to day, first hand information about the person and relay it to these powers.

People are afraid of black cats. It is true that the witches use black cats, but the deception of the devil is to conceal the fact that they actually prefer the white ones. The eyes and ears of a domestic animal in many homes are for gathering information. If you want to carry out a test, pour anointing oil on your animals at home and see what happens. However it is easier to deliver an animal from evil powers, than a human being, because animals do not commit sin and so the devil has no legal right to slay in their lives when chased out.

It is possible to find out that the spirit of fornication that many people are battling with came from the dogs they were playing with. Many people carry evil marks put on them by evil powers for identification to demons. Sometimes evil people steal strands of hair, nails, sweat, clothing, etc, and give to demons so that they can fish the owners out for destruction. These demons act like police dogs

that sniff and identify culprits with materials belonging to them.

In this chapter, we shall explore deep secrets you ought to know.

- 1. Demons can physically manifest in the form of human beings.** If a person has sexual intercourse with a demon that comes in the physical form, it will take the grace of God to get the person delivered. The person will be in trouble and if he or she cannot trace it to the relationship, he or she might not be able to pray meaningfully.
- 2. The demon can manifest as a very beautiful, handsome or ugly person.** It can take the physique of a person who really exists somewhere else. All these descriptions are not useful to a Christian who does not open any door to them.
- 3. Sometimes, certain objects could have demons attached to them.** Such objects are called spiritually contaminated objects. They include rosary, crucifix, decorations, jewellery, clothing, etc. These demons go about with the person as he or she goes about with the objects. The servants of satan can call up a demon and attach it to an object and present it to a person as a gift.

Psalm 74:20

Have respect unto the covenant: for the dark places of the earth are full of the habitations of cruelty.

Perhaps you have not been praying aggressively. Now is the time to start. There are many things to cut off, pull down, root out or rebuild.

Wickedness is being practised in the dark places of the world. When a person was fed in the dream and he wakes up heavy, it is the spirit that was fed. Some people hear their names called and they wake up from sleep. It is their spirit that is being summoned and it could be unto death if not prayerfully dealt with.

What I am saying is very serious. A lot of people get contaminated at a tender age and some when they start moving about. For some, it is through false teachings and doctrines.

It is possible to have an evil spirit as a Christian. It is because when a person gets born again, it is the spirit that is renewed but the mind and body may still be under the control of the devil. A born again Christian cannot be possessed by demons unless he or she goes back to sin; but someone who is already demonised before conversion will need to go for deliverance. A believer filled

with the Holy Spirit can never be possessed.

There are two powers that the Lord will not give the devil:

- 1. Your mind:** The devil and his demons cannot read your mind, although some times they behave as if they can.
- 2. Your will:** They cannot control your will except you hand it over to them. Everyone has a will power. There are many things you can do by your will power alone. You must learn to exercise your will against things that you don't want in your life.

PRAYERS POINTS

1. Every hiding place and secret place of witchcraft in my family, be exposed by fire, in the name of Jesus.
2. Let every local and international witchcraft network of my household witches, be scattered into pieces, in Jesus' name.
3. Let the communication system of my household witches be destroyed, in the name of Jesus.

13. Begin to thank God for answers to your prayers.

CHAPTER FOUR

The ROOT of CURSES

A long time ago, in an all girls secondary school, two girls were fighting in their dormitory. The matron saw them, and went to find out why they were fighting. One of them said, "When I arrived in this school, I was the girlfriend of the principal and this girl is now competing with me." The two girls were fighting, because they wanted to befriend the principal.

To the amazement of a christian standing by, the matron said to them, "Don't be so childish, it is a simple thing. Both of you should make a timetable. If, you are sleeping with him Monday to Wednesday, let the other girl take over from Thursday to Sunday. No problem at all." Both of them said, "Thank you, ma," and stopped fighting.

The Christian called the matron and said, "Mama, how can you give this type of advice when you have your own children?" The woman said, "The children whose lives are already spoilt, let us spoil it more for them." "Cursed be he that maketh the blind to wander out of the way." Those girls were already blind and the matron helped them to wander out of the way. The Bible has cursed such people.

Covenants and curses are destructive and deadly.

Deuteronomy 27: 15

"Cursed be the man that maketh any graven or molten image, an abomination unto the LORD, the work of the hands of the craftsman, and putteth it in a secret place. And all the people shall answer and say, Amen."

Deuteronomy 27: 17-18

"Cursed be he that removeth his neighbour's landmark. And all the people shall say, Amen. Cursed be he that maketh the blind to wander out of the way. And all the people shall say, Amen."

Deuteronomy 27: 19 -26

Cursed be he that perverteth the judgment of the stranger, fatherless, and widow. And all the people shall say, Amen. Cursed be he that lieth with his father's wife; because he uncovereth his father's skirt. And all the people shall say, Amen. Cursed be he that lieth with any manner of beast. And all the people shall say, Amen. Cursed be he that lieth with his sister, the daughter of his father, or the daughter of his mother. And all the people shall say, Amen. Cursed be he that lieth with his mother in law. And all the people shall say, Amen. Cursed be he that smiteth his neighbour secretly. And all the people shall say, Amen. Cursed be he that taketh reward to slay an innocent person. And all the people shall say, Amen. Cursed be he that confirmeth not all the words of this law to do them. And all the people shall say, Amen.

All these twelve things qualify one to be under God's curse. It is not a matter of whether we think it is right or wrong. God has so ordained it, that if you do certain things you automatically come under His curse.

THESE TWELVE THINGS CAN BE GROUPED INTO FOUR:

- 1. Dishonouring one's parents:** The reason so many people are cursed is because they dishonour their parents. It is not possible for anybody with wrong attitudes towards his or her parents to come under the full blessing of the Lord. The Bible says,

Ephesians 6:2-3.

"Honour your father and your mother that your days may be long upon the land which the Lord thy God giveth thee, this is the first commandment with a promise"

Dishonouring parents put somebody under God's curse.

- 2. Idolatry:** Serving and worshiping false gods, occult involvement, special baths in the sea, etc, could place a person under a curse. A person whose

ancestors were involved in these things also comes under the curse, even though he did not do so himself. Out of their activities, some forefathers have put their descendants under a curse. Until anyone concerned releases himself from the curse and breaks it, he will not be free. Idolatry or involvement in occult practices puts one under automatic curse. There is no prayer that can help such a person, except he repents.

3. **Hatred for Jews:** There are people, who hate the Jews and always speak against them. Such people place themselves under a curse because the Bible says, "Abraham, anyone who curses your children shall be cursed, anyone who blesses them shall be blessed." If somebody hates the Jews, he automatically comes under God's curse.
4. **Sexual perversion:** Adultery, fornication or incest puts a person under a curse.
5. **Injustice to the meek or the helpless:** Exploiting your neighbour's weakness, stealing money from the blind, telling lies to somebody who is not educated, so that you can extract money from him, abusing a person in a language he does not understand, procuring abortion, etc., put a person automatically under God's curse.

6. Stealing and cursing:

Zechariah 5: 1-3

Then I turned, and lifted up mine eyes, and looked and behold a flying roll. And he said unto me. What seest thou? And I answered, I see a flying roll; the length thereof is twenty cubits and the breadth thereof tell cubits. Then said he unto me, this is the curse that goeth forth over face of the whole earth: for everyone that stealeth shall be cut off as on this side according to it; and every one that sweareth shall be cut off as on that side according to it.

So, stealing and cursing puts a person under God's curse. Somebody takes something and swears under oath that he did not take it such a person automatically comes under God's curse. Somebody goes to the court and swears to tell the truth and nothing but the truth, but his next sentence is a lie. Such a person automatically comes under a curse. That is what the Bible says. Such people need to repent. Repentance is the answer.

Prophet Jeremiah tells us why another type of curse can come upon people. It says.

Jeremiah 17:5-6

"Thus saith the LORD, Cursed be the man that trusteth man and maketh flesh his arm, and whose heart departeth from the Lord. For he shall be like the heath ill the desert, and shall not see when good cometh; but shall inhabit the parched places in the wilderness, in a salt land and not in inhabited."

Trusting in man or yourself, your natural ability, cleverness or education, instead of depending on God, brings one under the curse of God.

Malachi 3 tells us about another curse. It is about being stingy with God. The passage says,

Malachi 3:8-9

"Will a man rob God? Yet ye have robbed me. But ye say, Wherein have we robbed thee? In tithes and offerings. Ye are cursed with a curse: for ye have robbed me, even this whole nation."

Anyone who wants to be cursed should be stingy with God. But the person that wants to be blessed should be generous with God. When people do the work of God miserably, they pronounce curses on themselves.

These are the vertical ones. If you have come under any of them, repentance is the only solution. No prayer can help you out. Any prophet that says he can help you is lying. You must repent.

PRAYER POINTS

2. I break every unprofitable covenant of untimely death, in the name of Jesus.

CHAPTER FIVE

Demonic COVENANT EXPOSED

I Samuel 25:25

Let not my Lord, I pray thee, regard this man of Belial, even Nabal: for as his name is, so is he; Nabal is his name, and folly is with him: but I thine handmaid saw not the young men of my Lord, whom thou didst send.

Your name or your family name will dictate the boundaries of your life. To those, who say there is nothing in a name, the Bible places importance and emphasis on names. When Jesus was born, the Angel pronounced, "Thou shall call His name Jesus meaning 'Saviour' for He shall save His people from their sins." Everyone of the 400 names, that the Bible calls God is telling us, something about the personality of God. Many terrible names that people bear cause them harm.

SPIRITUAL BURIAL

Here, somebody has formed a covenant with death and the evil covenant speaks death into everything the person is doing.

RELIGIOUS COVENANT

You do not remain in a religion, just because your parents were there. Every man will answer for himself before God. All religion that have to do with Angel worship, incense burning, consumption of fruit every Sunday, personal physical altars, perfumed waters, kneeling to images, makes you to form covenant with strange religious spirits. This is where a lot of people have been struggling, to move forward in their spiritual life without success.

THERE IS THE PICTURE COVENANTS

If your former boyfriend took a picture of the two of you, that picture in his possession can be converted to evil use particularly, when one partner gets born again, and the other is still demonic. The picture can be used as a covenant picture to trap a person's life. When such pictures are in the possession of the enemy, it's a serious matter indeed. Declare this loud and clear. ***"Any picture of my life, on any satanic altar, catch fire now, in the name of Jesus."***

INCEST COVENANT

Incest is a very common thing in families especially in polygamous homes where there are many male and female children. These things are covenants that lead to broken homes later. Unless you know what to do, you are in trouble. I pray that the Lord will deliver you, in the name of Jesus.

DEMONIC PARTIES

Not all parties are normal. Some parties are initiation programmes for the extension of other people's lives. You have to be very careful. Many people have attended such parties and thereby write letters to powers that would cut off their destiny.

THE COVENANT OF FIRST SEX PARTNER

Your first introduction to sex and how you were introduced, has heavy spiritual significance. If it was done outside marriage or you were raped, problems follow and that problem may go on for years, unless you begin to cut off such covenants. When a person is into these covenants that kill, you may be noticing problems that are resistant counseling or normal prayers.

When these covenants are in place, habits, which are so difficult to break, like sexual looseness and masturbation will over-shadow the person. A masturbating man or woman will have spirit wives or husbands. There will be constant worry, anxiety, depression fears of all kinds, hearing strange voices, constant harassment in the dream and all kinds of addiction. When these covenants are in place, such people will be so eloquent at discussing Bible but they do not have a personal experience. They may be having constant accidents, uncontrollable anger, temper and violence, excessive pride, constant financial failure, inability to concentrate. All these are signals that there are things all ground, that need to be broken off. When you don't break them, what will happen is that they will

grow bigger and as they grow bigger, they will cause you more trouble. When these evil covenants are in place, there will be strange diabolical dreams. The person may notice general frustration and backwardness.

There are many types of covenants. Some covenants are simple while others are complex. Simple covenants can easily be broken but the complex ones are not.

Isaiah 28: 14-15

Wherefore hear the word of the LORD, ye scornful men, that rule this people which is in Jerusalem. Because ye have said, We have made a covenant with death, and with hell are we at agreement; when the overflowing scourge shall pass through, it shall not come unto us: for we have made lies our refuge, and under falsehood have we hid ourselves:

Jewelry, has always had the connotation of idolatry both Biblically, and historically. Rings, Pendants, Necklaces, have always been used as charms for protection in those days. Some even use them for good luck and this is a very sad invention. It is even more sad these days, that we find many preachers with giant rings on their fingers, and they raise their hands and wave it so you can see their giant rings. Almost all the cults and evil societies have their own identification rings.

Do not be surprised, that majority of the jewelry being sold in our markets are not ordinary. They have the ability to link you up to the demonic world, contrary to your own desire. A lot of people have initiated themselves using these methods. I pray that one day, the Lord will open the eyes of the sisters, and they will be able to see what harm they have done to themselves, using strange jewelry and fashion. To worsen the case, we now have men with chains on their necks and this has initiated people into uncommon cleverly concealed covenants, which they are not aware of. This is why when you go to a proper deliverance session, the first thing you are told is to harvest all your jewelry and attachment, in readiness for freedom.

STRANGE HAIR STYLES

Hairstyles also play a major role in some kind of occult initiations. In the spiritual realm, your hair represents your glory. If you decide to covenant your glory to salon witchcraft powers, it is your fault. The Nazarene Vow in the Bible says they must not cut their hair in demonic worship. The Buddhist and some other

religious groups shape their hair. In some other religions, they wrap their hair under a turban, scarf or hat. Many of the strange hairstyles we see today originate directly from the kingdom of darkness and they have been used to initiate so many young people into the occult.

Wigs and attachments have been used to cause much sorrow for so many. Anything outside your natural hair is satanic. That is the blunt truth.

COVENANT THROUGH MUSIC AND DANCE

Music and dance have very strong influence over men. Music can ignite your inner fire. It fires up your passion for the spiritual. If the music is demonic all it will do to you is to excite the Babylonian demons in you. For this purpose, many musicians have been sold out to Satan, and many are heavily loaded with demons. Many of them are satanic worshipers. A person can be completely taken over by demons merely by listening to some music. It could be rock music, punk rock, Afro, etc. In our nation, the best selling music are those that do not make sense to the life of men. All these native dances and traditional plays, if you check the origin, you will discover that they come from the pit of hell. Many have done these things in ignorance under the umbrella of culture.

Declare this: *"Anything that has entered my life to pollute my destiny, clear away by the blood of Jesus".*

COVENANT THROUGH FILMS AND TELEVISION

This is especially so, when programmes of demonic nature are presented to unsuspecting public. Many people have been reportedly overtaken by demons while watching films. Many of them have had to go for deliverance. When they are showing magicians, herbalists, etc., performing on television, and you are staring at them, you form a hidden covenant. There are many things that go on television that a child of God should not watch. To worsen the case, internet has now come in. A lot of people are addicted to it and they are watching things they should not watch which form covenants in their lives. You can get demonized through the internet, depending on what you are watching. The internet world is like a sea of sharks and if you are not careful, you will invite a shark to swallow you alive.

TOYS

Covenants can be established through toys that children handle. Parents have to

be very careful what toys are in the hands of their children. Clothes are also available that have strange inscriptions on them. They give them to children and they covenant those children.

BREAKING THE YOKES

How do we break the covenant that kills?

1. Identify your own particular area. When you pray specific prayers, specific powers will be released to bring specific answers.
2. You must surrender all to Jesus. There is a difference between somebody coming to Church and someone, who surrenders all to Jesus. Without that complete surrender, it is going to be difficult to be free from any evil covenant.

In this area you need to be honest with yourself:

3. You must be willing to confess everything to the Lord. Do not hide anything.
4. You need to renounce those things you have confessed. After that renunciation it is then you can begin to break the covenant specifically.
5. You must repent. Be determined to turn away from those areas. The Bible says. ***"He that covereth his sin shall not prosper, but whosoever confesseth and forsaketh them shall have mercy"***.

About the *Book*

"...wickedness dwell in their habitation", says the scripture. Obviously, there is a growing bombardment of various attacks from the wicked on man in the world today, which as a matter of urgency should be arrested or thwarted by those who love their destinies.

This book, through the Spirit of God, will give you an in-depth knowledge of the wicked antics and you will be better equipped to combat them to a halt.

About the *Author*

Dr. D. K. Olukoya is the General Overseer of the Mountain of Fire and Miracles Ministries and The Battle Cry Christian Ministries.

The Mountain of Fire and Miracles Ministries' Headquarters is the largest single Christian congregation in Africa with attendance of over 120,000 in any Church service.

MFM is a full gospel ministry devoted to the revival of Apostolic signs, Holy Ghost Fireworks, miracle and the unlimited demonstration of the power of God to deliver to the uttermost. Absolute holiness within and without as spiritual insecticide and pre-requisite for heaven is openly taught. MFM is a do-it-yourself Gospel Ministry, where your hands are trained to wage war and your fingers to do battle.

Dr. Olukoya holds a first class honours degree in Micro-biology from the University of Lagos and a PhD in Molecular Genetics from the University of Reading, United Kingdom. As a researcher, he has over seventy scientific publications to his credit.

Anointed by God, Dr. Olukoya is a prophet, evangelist, teacher and preacher of the Word. His life and that of his wife, Shade and their son Elijah Toluani are living proofs that all power belongs to God.
